Sir,

In reference to paragraph 5 of Government Proceedings No. 1019-29. Circular 4, dated 12th April 1892, calling for submission separately, as it is completed, of each case of Enamdar's claims to Toddy Revenue, I have the honor to forward, herewith the file of records in the case of Seetha Ramiah's claim to Toddy Revenue of Nelsandra village in Bangalore Taluk, for submission to Government for disposal.

2. The number of trees being pretty large and the Bangalore taluk being badly supplied, this varam had better be managed by Government and compensation settled on principles mentioned in my letter No. 288, dated 20th April 1894, in the case of Beemachar.

I have &c.

No. 190/7

The Deputy Commissioners No. A. 8, dated 10th July 1894, submitting records in the case of a claim preferred by Seetha Ramiah to Toddy Revenue, of Nellasandra Jodi village in the Bangalore taluk.

In reply has the honor to point out-

out that the name of Neelasandra village does not appear either in the Statement of the results of the sales of the Toddy Vend Farms for 1893-94, received with the Deputy Commissioner's No. 247, dated 5th June 1893, or in the statement submitted with his No. A 235, dated 27th February 1894. Requests explanation for the omission.

with reference to the above has the honour to state that Neelsandra Inam village not having been sold by Government, in any year, owing to a very small number of trees therein, the name of that village has not been shown in any of the statements hitherto sent.

To, The Deputy Commissioner
Bangalore District

No: 741/24

Dated 9/10 th August 1894.

The Deputy Commissioner's No: 42, dated 6th instant, regarding the Toddy Revenue of Neelasandra Inam village.

In reply has the honor to point out that in the statement accompanying the Record of Mr. Coopuswamy's Naidu's enquiry Rs. 22-8-0 are shown as the Demand of the above village for 1893-94, indicating that the date groves in it was sold for that amount. But in the docket under reference it is stated that the grove in the village was not sold in any year. Requests that this inconsistency may be explained.

2. It is mentioned in Mr. Coopuswamy Naidu's Memorandum, as well as in the aforesaid statement A that 300 date trees exist in the village, of which 150 are mature. The monopoly of tapping the date trees in Inam Villages containing a less number of trees, has been sold for 1892-93 and 1893-94. Enquires why the monopoly at Neelasandra was not sold for 1892-93 and 1893-94, as stated in the docket under reference

with reference to the above, has the honor to state that it is Malsandra and not Neelsandra that is meant in this office No. 8, dated 10th ultimo.

The said Malsandra grove was not sold separately for the year 1892-93, as the contract was given to Mr. Pathrappa, Salukuvan.
